

19th March 2020

Dear Delegate

As a result of the postponement of the Country Conference in Torquay, VPNG will be refunding all registration costs.

You can expect to be refunded via the same means that you paid. Please allow up to two (2) weeks for the refund to be processed. I would also ask that you acknowledge the large volume of work being conducted in the office in response to COVID-19 and subsequent changes to our activities. When communicating with the office please remain patient and respectful, and wherever possible for this to be done through an email to enquiries@vpng.org.au.

VPNG is exploring a new date for the Country Conference later in the year. Once a date has been confirmed, we will open the registration link once again. It is our hope that you will continue to support VPNG and will attend the Country Conference on the new date.

The program is likely to remain the same as our speakers are committed to providing much needed education to perioperative nurses. The only change may be someone to speak on COVID-19!

I encourage to keep up-to-date with the evolving nature of this crisis via the Victorian Department of Health and Human Services website:

<https://www.dhhs.vic.gov.au/coronavirus>

We look forward to seeing you at the re-scheduled Country Conference later in the year.

Yours sincerely

TARRYN ARMOUR
VPNG PRESIDENT
